CENTRAL COAST NOT-FOR-PROFIT FORUM

The Central Coast Not-for-profit Forum is a 2018 initiative committed to supporting the Not-for-profit sector on the Central Coast through seminars, educational workshops and support services.

We recognise the wonderful work that is accomplished by the many charities and Not-for-profits on the Central Coast. We also recognise that it is not always easy keeping up to date with compliance requirements and best practice in managing finances, reporting requirements and governance.

The aim of these events is to address contemporary issues facing the sector and identify best practice solutions for Boards, management and responsible persons.

Thank you to the following organisations for their support:

CHARTERED ACCOUNTANTS • FINANCIAL PLANNERS
